NOTE: If a student begins his/her study of a language at the beginning or intermediate level (CORE 141F-144F), he/she may not graduate within four years. He/she should consult with the Department Chair as early as possible to discuss different options such as taking French classes during the summer session or studying abroad in a French speaking country.

*Placement to be determined. Only French courses numbered 145 or above may be taken for major credit. If a student's background is not sufficient to begin the major with CORE 145F, all courses taken below 145 will be counted as electives.

**In addition to CORE 145F, FREN 231, FREN 233, and FREN 480, all students majoring in French/Secondary Education are required to take a French Literature Course (FREN 235, FREN 341, FREN 342 or an appropriate FREN 491) and three (3) additional French Major Courses to satisfy the twenty-four (24) French credits required for the major. *(Although ENGL 326 is not a French Major Course, it is also required for French/Secondary Education majors for a grand total of 27 credits). (Keep in mind that upper-level French Major Courses are offered on a rotating basis. So, choose the course when it is offered).*

Choose from the list below: *(Keep in mind that upper-level French Major Courses are usually offered in alternating years. So, choose the course when it is offered).*

[2]Updated Child Abuse & Criminal Record & FBI Clearances **REQUIRED** for EDUC 235, EDUC 240, EDUC 304, EDUC 305, EDUC 350, EDUC 366, EDUC 467 and EDUC 468.

[3]All students majoring in French/Secondary Education are required to take ENGL 326.

[4]All secondary teacher certification candidates must complete six credits of college level mathematics and six credits of college level English. CORE 110 and CORE 16__ satisfy the secondary certification requirement for English. For the six credit Math requirement, students should strongly consider taking MATH 101 and MATH 102 in place of CORE 120 and MATH 124. The content of the MATH 101/MATH 102 sequence is consistent with the material found on the PAPA examination. MATH 101 and MATH 102 also satisfies the Math Core requirement.

[6]PAPA must be passed before taking EDUC 350.

[7]In addition to the above requirements, secondary teacher certification candidates in French must take the ACTFL (American Council on the Teaching of Foreign Language) Oral Proficiency Interview (OPI) prior to student teaching. In order to receive certification, these candidates must achieve a score of Advanced Low or above. For certification, candidates must also either pass the Fundamental Subjects Test or take the ACTFL Written Proficiency Test (in addition to the OPI) and receive a score of Intermediate High on the WPT.

NOTE: All Secondary Teacher Certification candidates must complete six credits of college level mathematics and six credits of college level English:

Math Courses	CORE 120[4] (**OR** MATH 101[4])	MATH 124[4] (**OR** MATH 102[4])
English Courses	CORE 110[4]	CORE 16__[4]

Must apply for formal acceptance to the Education Department after completing a minimum of 6 credits at King's College and no later than the semester prior to student teaching.

Certification in Pennsylvania requires the candidate to maintain a 3.0 GPA.
