Total Credits Required for Graduation = 120					

NOTES:

**The standard semester course load is five courses consisting of 15 – 17 credits. A full-time student may take up to 17 credits without being charged an overload (for more information about credit loads, please see the college catalog).

¹Choose one course from each of the Core Requirements listed on the reverse side.

²Course may satisfy both a Major and a Core requirement.

³Students may select “free electives” for personal enrichment **OR** for Minor and/or Second Major Requirements.

^{PR}Course has a prerequisite – check college catalog.

General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs **or** if the student elects to pursue a second major. Beyond the requirements of the Core Curriculum and of a student’s chosen major program, the balances of the credit hours required for graduation are “free electives.”
