Student Health Center
JoAnn Kosik, MHA, PA-C Director
Located in Andre Hall

- Physical Health Record Form and Meningitis Waiver
  To receive treatment in the Student Health Center you must be a full time student and have a completed health form which includes medical history, physical exam within one year of matriculation, immunization history, and proof of insurance. Health insurance coverage is strongly recommended but not mandatory for full-time commuter and off-campus students.

  - All resident students are required to have a meningitis vaccination. If you have chosen not to be vaccinated then you must sign the meningitis vaccination waiver.
  - All students must provide the 2 (two) dates of immunization against measles, mumps and rubella (MMR). Dose 1 given at 12 to 15 months of age or later. Dose 2 given at age 4 to 6 years or later, and at least 1 month after the first dose.

- Student Insurance Plan
  - King’s College requires resident students, student athletes, and international students have medical insurance.
  - Student health insurance options individually structured for full-time students who have no other form of health insurance can contact: Sandy Baltimore, Eastern Insurance Group, Phone: 570-819-2000.
The Counseling Center provides support to students on such issues as their adjustment to college, relationship concerns, anxiety, depression, difficulties with roommates, identity issues, recognizing self-worth, controlling food and/or substance intake, stress management, clarifying personal and/or professional goals, solving personal conflict, and learning effective communication skills and how to make healthy and responsible choices. The Center is staffed by two Licensed mental health professionals, and also offers psychiatric services on a part-time basis.
