Chiropractic College

Students following the 3+4 Chiropractic Track will complete the remaining King's College graduation requirements for Exercise Science during the first year at Logan University OR Northeast College of Health Sciences.

Required credits remaining credits to graduate from King's College 23

Total Credits Required for Graduation = 122

General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs <u>or</u> if the student elects to pursue a second major. Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are "free electives."
