Environmental Awareness

We're committed to local produce, eco/fair trade coffee, reduced antibiotic chicken and turkey, cage-free eggs, rGBH-free milk and yogurt, and sustainable seafood in partnership with Kegel's Produce!

Did you know that **19 million pounds of plastic wind up in the ocean each year?**

King's Dining is doing our part by skipping the straw and encouraging our students to leave their straw behind at Starbucks with sip lids!

Fighting Food Insecurity

Nearly 40% of all college students are struggling with food insecurity. Students in all college and university settings - even those who have meal plans, are impacted. To counter this issue, **King's Dining partners with the Shoval Center here on campus to help your fellow Monarchs in need!**

Local Partners

We partner with many local farms for produce, meats, spices and more! King's Dining is driving change from the inside out. We're reducing waste at the source, collaborating with the Sustainability Committee to share and implement best practices and strategies for reducing waste throughout our network. We are committed to raising awareness and promoting solutions that positively impact the areas where we operate.

HowGood

Find your climate-friendly foods throughout the dining hall with these icons certified by HowGood. These icons indicate if the recipe has an environmental and social impact better than a specified percentage of other foods based on HowGood's database of over 2 million products.

Menus of Change

The Menus of Change initiative (MOC) was formed in 2012 as a partnership with The Culinary Institute of America and the Harvard School of Public Health. MOC is designed to focus on engineering our menus to create a more sustainable food supply, provide delicious nutrient-dense meals for our guests, and protect and improve the health of our planet.

Meal Plans

2024 - 2025

Fueling
your

Meal Plan **FAQs**

What are Meal Swipes?

Your meal swipes are intended to be used at King's Court, but to provide added flexibility and value, they can be used at our on-campus restaurants: Connerton's Cafe and Susquehanna Place. Simply trade a meal swipe for up to \$5 for breakfast and \$7 for lunch, dinner, and late night food in these locations.

What is Flex Dollars?

Flex dollars are part of your meal plan and can be used to purchase drinks or snacks between meals or supplement swipes at any on-campus restaurants - tax free! They are good for the semester. Unused dollars do not carry over from semester to semester. They come with each meal plan and cannot be purchased separately.

What is King's Cash?

King's Cash is a declining balance currency that can be used at any dining location and also at the bookstore, library vending machines, and off-campus at select locations. King's Cash dining purchases are not taxed and does not expire until graduation. You can make deposits online at <https://kingscash-sp.transactcampus/eaccounts> or at the PHIL Station located in the first floor lobby of the Sheehy-Farmer Campus Center.

How do I sign up for a Meal Plan?

Purchasing a meal plan is easy! To sign up, follow the steps below:

1. Login to the King's Student Portal
2. Click the Self-Service Tab
3. Select Billing & Financial Aid Tab
4. Click Sign Up/Update Meal Plan

You can also visit our King's College Dine on Campus page for more information about Meal Plans.
