Merit Award Appeal
2025-2026**

King's College merit awards are awarded to students for up to 8 full-time undergraduate semesters. King's College has established an appeal process for students who wish to exceed the value of their King's College merit award. Merit Award Appeals are reviewed on a case-by-case basis.

Submitting an appeal does not guarantee approval. If your appeal is denied, you will be ineligible for your King's College merit award and are fully responsible for your King's College charges. If approved, appeals will only be granted once. No additional merit award appeals will be considered for additional terms.
