**International Application  
for Admission**

# Application for Admission Instructions

The application for admission is the first step in exploring the King's College community. We take the application process very seriously, as it allows the Office of Admission to become very familiar with the many talented men and women who seek admission to King's College. At King's, we look at the entire person when considering students for admission. Academic achievement, participation and leadership in school and community organizations are evaluated. While the paperwork is a necessary component, we also value the opportunity to meet our applicants in person. We strongly recommend scheduling a personal interview at your earliest convenience.

## INTERNATIONAL STUDENTS
