⁵ Students should strongly consider taking MATH 101 and MATH 102 in place of MATH 120. The content of the MATH 101/MATH 102 sequence is consistent with the material found on the Basic Skills examination. Together, MATH 101 and MATH 102 satisfy the three math credits required for King's College Core Curriculum as well as the six-credit math requirement for Education.

PR Course has a prerequisite – check college catalog.
