## CHANGES TO THE FAFSA® PROCESS FOR 2017–18

**SUBMIT A FAFSA EARLIER:** Students will be able to submit a 2017–18 FAFSA as early as Oct. 1, 2016, rather than beginning on Jan. 1, 2017. The earlier submission date will be a permanent change, enabling students to complete and submit their FAFSAs as early as October 1 every year. (There is NO CHANGE to the 2016–17 schedule. The 2016–17 FAFSA became available Jan. 1, 2016.)

**USE EARLIER INCOME AND TAX INFORMATION:** Beginning with the 2017–18 FAFSA, students will report income and tax information from an earlier tax year. For example, on the 2017–18 FAFSA, students (and parents, as appropriate) will report their 2015 income and tax information, rather than their 2016 income and tax information.

Here's a summary of key dates for submitting the FAFSA depending on when you plan to go to school:

## Changes for 2017–18: [StudentAid.gov/fafsa-changes](http://StudentAid.gov/fafsa-changes)

### FAFSA® Changes for 2017–18

On Sept. 14, 2015, President Obama announced significant changes to the *Free Application for Federal Student Aid (FAFSA®)* process that will impact millions of students. Starting with the 2017–18 application cycle, the following changes will be put in place:

- **Students will be able to submit a FAFSA® earlier.** Students will be able to file a 2017–18 FAFSA as early as Oct. 1, 2016, rather than beginning on Jan. 1, 2017. The earlier submission date will be a permanent change, enabling students to complete and submit a FAFSA as early as October 1 every year. (There is **NO CHANGE** to the 2016–17 schedule. The FAFSA became available January 1 as in previous years.)
- **Students will use earlier income information.** Beginning with the 2017–18 FAFSA, students will be required to report income information from an earlier tax year. For example, on the 2017–18 FAFSA, students (and parents, as appropriate) will report their 2015 income information, rather than their 2016 income information.

42,476 views • 4 months ago

The first step to applying for federal student aid is completing the Free Application for Federal Student Aid (or the FAFSA®). Before you fill out your FAFSA watch this video to learn how to create an FSA ID—a username and password—that replaced the Federal Student Aid PIN.

You will need an FSA ID to electronically sign and submit your FAFSA, as well as to make any needed corrections later. And if you are a dependent student, your parent will need his or her own FSA ID, too.

Do not allow someone to create your FSA ID for you, and you should not create one
